

WAYZATA, MINNESOTA

WAYZATA COUNTRY CLUB

OPENING DATE

May 2005

SCOPE

Kitchen Renovation

PROJECT SIZE

Overall 59,000 SF

Wayzata Country Club has a variety of dining options for its members, both casual and formal, as well as rooms for professional use. The renovation expanded the bar and casual dining spaces and kitchen service. The project included renovating and expanding the existing kitchen, adding a separate bakery, a new bar for the lounge and banquet area, a new wait station for the Hunt Room and Formal Dining areas, and a new employee dining area and cart wash.
