

Terry Pellegrino, FCSI

Principal

Terry has been planning foodservice facilities since 1985 and has considerable experience developing functionally-oriented operations for colleges and universities. She identifies flexible design options that allow operations to adapt to changes in volume, equipment, and menu trends. Her understanding of form, function, and flexibility has led to projects on over 70 campuses including convenience stores, retail, and board plan facilities.

EDUCATION

Bachelor of Arts, Food & Nutrition - Concordia College
Moorhead, Minnesota

Dietetic Internship
Massachusetts General Hospital
Boston, Massachusetts

AFFILIATIONS

National Association of College
and University Foodservices

Professional Member,
Foodservice Consultant's Society
International

Pellegrino's designs are based on a clear understanding of operations, food production and holding processes, staffing and work simplification. She listens closely to make certain her work is guided by campus qualities because each project is unique. Her intense customer-focused approach, coupled with her hands-on experience provides a seamless process from start to finish.
